PREPARING FOR YOUR APPOINTMENT

Auditions are approximately 10 – 15 minutes long. In you online appointment, you will be able to meet our artistic staff, find out about the choirs, and to ask any questions you may have. We will ask you some questions about your backgrounds and interests. We will have you start with some warm-ups to get your voice ready to sing with us. After that, we will ask you to share a song you have prepared – this could be something you have learned in school, in private lessons, or it can just be a song you enjoy singing. *If possible, please provide us with a PDF copy of your music prior to, or at your online appointment.*
